

# **RIPPE GELBVIEH**

**25<sup>TH</sup> Annual Bull Sale**

**Saturday, March 11 • 1:00 PM**

## **COMMERCIAL HEIFERS**

*We are offering approximately 36 Black & Red Commercial Heifers for sale this year – all out of our own herd. We will put them into lots as the sale draws closer. Heterosis plays a huge role in cow longevity and all of these heifers are crossbred. They have all passed a pelvic measurement, passed a reproductive tract score, been freeze branded, bangs vaccinated, and developed to be excellent females. All heifers will be kept for free until March 21 and will need to be picked up by the owner unless prior arrangements have been made. We would keep them at our place and AI these heifers if the purchaser would like. The cost for us to AI them is \$3/hd/day after March 21 until you pick them up for feed and yardage. In addition, \$15/hd to set them up for AI, \$15/hd to AI them, and the cost of the semen. We typically AI the very end of April.*
